The McIntosh Plow

IS THE STANDARD

It Takes the Lead Wherever Introduced.

The plowman homeward plods his weary way,
 Surprising all, at tea, with what he has to say
 About his troubles with his old inferior plow,
 And wondering where he'll get a better now.

He goes to town and sees, across the street,
 A plow that dazzles every eye it meets,
 He staggers in and buys a McIntosh plow
 That somehow tells him he'll be happy now.

MY SALES has increased in 1904, this shows that I am manufacturing what the Farmers want. I am building a larger quantity than ever as I have confidence in my plows knowing they will sell when introduced. My plows have the latest improvements, tight and loose clevis and swing colter. I build Horse Hoes, Horse Rakes, Root Cutters, Pulpers Cultivators and Ensilage Cutters. A full stock of Repairs for all makes of Mowing Machines and Repairs for all makes of Plows.
